

Nougat and Chocolate Croissant

Product code: 21824001

Croissants with chocolate and nougat are made of the light, crisp layers in classic croissant pastry. The croissant filling is a delicious, soft chocolate/nougat filling which almost melts on the tongue along with the croissant pastry. The croissant is sprinkled with chopped dark chocolate. A special feature of our filled croissants is that the filling goes right out to the ends of the croissant to ensure that every bite is a delight.
