This unproved Escargot is the perfect sweet treat for breakfast, brunch or later in the day. The croissant is part of our easy-to-use un proofed product range. Proving is the process by which a pastry needs to be prepared prior to baking in an oven. It involves resting the pastry to allow yeast activity to take place which allows the product to rise. To bake, it may need to be thawed or placed in a proving unit prior to baking. If you are unable to prove, consider one of our Fully Baked or ready to Bake options.
